

Bank of America Collegiate Barbershop Quartet Contest

2008 Preliminary Dates as of April 3, 2008

Please check www.barbershop.org/college for updates and venues

Upon registration for an International CBQC preliminary competition, each competing quartet must declare the district that it will represent. This district will be known as the quartet's "home" district. The quartet's "home" district is the Barbershop Harmony Society district in which the quartet's educational institution is located, or where the majority of the educational institutions represented by the quartet's members are located, or, if all of the quartet members are not enrolled in an educational institution, the district in which the majority of the quartet's members have permanent residence. Questions concerning "home" districts should be directed to the CBQC Coordinator at The Barbershop Harmony Society headquarters.

The highest-scoring quartet from each district, regardless of where they compete, will become that district's representative to the International CBQC.

Quartets may compete in one preliminary contest only.

The CJ-17A Official Entry Form must be **received** by the head quarters office, by the deadline shown, along with a check for \$10 payable to "Barbershop Harmony Society." This information should be sent to:
