

Phase Two of Society-wide Electronic Survey

Here's important info to help insure your voice is heard.

This spring, your Society's Operations Team prepared and distributed an electronic survey to get your assessment of the programs we offer. We received more than 4,600 responses! Approximately 1,200 of you took additional time to provide very helpful comments. Survey results were distributed to all Committees and District leadership. Your responses HAVE made an important difference in communicating your opinions to Society leadership!

It is now time for the second phase. You recently received a new survey instrument via email from otsurvey@barbershop.org that directs you to the Survey Monkey survey site. Your cooperation in completing this new survey is critical, especially if you completed the first survey. The survey questions have been modified only slightly, and only a few new questions added. This is intentional, to provide accurate correspondence with your answers from the Spring survey and help provide your Board and Districts with trends to verify our progress.

Youth Chorus Festival Registration Open

Registration for the 2nd annual International Youth Barbershop Chorus Festival is open! Sign up your chorus now. You'll find the registration form—due by Oct. 15—by visiting www.barbershop.org/youthchorus

For more information, email or call music specialist James Estes: jestes@barbershop.org, 800-876-7464, ext. 4124.

Registration Open for Singing for Life 2009

The registration site for Singing for Life 2009 is up and running at <http://singingforlife.org/signup>. It's not too early to talk with your chapter leadership about participating in the 2009 Singing for Life (SFL) blood and donor drive. This year's drive forged new community partnerships and resulted in the collection of 3000 units of blood and many new blood donors.

Let SFL bring joy to your community and new potential growth to your chapter!
