

The times they're a-changing:
Members Only retires, ebiz.barbershop.org debuts

The new member portal is now in public beta release. That means a number of activities previously managed in the "old" Members Only site are now in the "new" site powered by Aptify.

During a transition period, some functions will remain in the old site, but most records management will take place in the new site.

- Access the new site at <https://ebiz.barbershop.org/ebusiness>
- The old site is still available at <https://secure.spebsqsa.org/members>
